

As they are submitted, we will post listings here for used SlideSnap equipment for sale by private parties.

If you would like to re-sell your equipment, email us at adigitalshoebox@gmail.com with the following information:

- Equipment for sale and what's included
- Condition / estimated usage
- Price
- Preferred contact details
- Photos to help illustrate condition
- Serial number and odometer reading.

While we do not facilitate the sale or charge a fee / commission, we do recommend the purchaser [transfer ownership on our end for support.](#)

1 Listing
